

TO GROW OUR TEAM IN EYNATTEN (BELGIUM) WE ARE LOOKING FOR A

PROJECT LEADER (M/F/D)

PERMANENT CONTRACT IN FULL TIME

STERISYS was founded in 2008 and is a leading provider of industrial sterilization equipment for medical devices and robotized handling systems for the pharmaceutical industry. We coordinate the international projects from Eynatten, only 12 km away from Aachen.

YOUR RESPONSIBILITIES

- Manage projects starting from the conception up to the final installation at our customer's site
- Ensure the project's KPIs
- Write technical specifications
- Coordinate the technical and organizational interactions with customers, partners and service providers
- Manage technical modifications and enhancements
- Establish risk assessment and analysis

YOUR PROFILE

- Degree in a technical field (e.g. Engineering) or relevant professional experience
- Experience with project management (school leavers may also)
- Excellent organization and coordination skills
- Willingness to travel within Europe
- Fluent in German or French; good level of English

OUR OFFER

- Exciting projects in the medical technology and pharmaceutical industry
- Extensive onboarding program to discover the company, colleagues and understand our sector of activity
- Flexible hours
- Personal and professional development through regular training opportunities
- Attractive salary package with extra-legal benefits

ARE YOU UP FOR A NEW CHALLENGE?

Then send us your application (resume + cover letter) by e-mail to careers@sterisys.eu

We are looking forward to your application!
