STERISYS was founded in 2008 and is a leading provider of industrial sterilization equipment for medical devices and robotized handling systems for the pharmaceutical industry. We coordinate the international projects from Eynatten, 40 km away from Liège.

YOUR ADVANTAGES AT STERISYS

- **Working environment**

With us, you will be part of a young and dynamic team in a future-proof industry. We maintain a familiar and multilingual working atmosphere with short decision-making processes.

- **Events & Training**

In addition to regular team-building events, you will have the opportunity to take part in various workshops, trade fairs and seminars.

- **FlexWork**

You benefit from flexible working hours and can organize your work yourself depending on the activity.

- **Mentoring**

A personal mentor will be on hand to offer you advice and support during your internship.

ARE YOU UP FOR A NEW CHALLENGE?

Then send us your resume + cover letter by e-mail to careers@sterisys.eu

We are looking forward to your application!
