

TO GROW OUR TEAM IN EYNATTEN (BELGIUM) WE ARE LOOKING FOR:

ELECTRICAL TECHNICIAN (M/F/D)

PERMANENT CONTRACT IN FULL TIME

Founded in 2008, STERISYS is now one of Europe's leading providers of sterilization systems for medical devices and robotic handling solutions for the pharmaceutical industry. Based in Belgium and Luxembourg, our team of over 30 passionate professionals works every day to shape the future of healthcare.

YOUR TASKS

- Specification of electrical cabinets and components
- Planification of electrical installations and commissioning tests at our facility and at the customer's site
- Fault finding and troubleshooting of electrical cabinets and components
- Support with the execution of electrical installation work and commissioning tests

YOUR PROFILE

- Degree as electrician, electrical technician or similar work experience
- Experience in installation and assembly work of electrical cabinets and components is a plus
- Willingness to travel mainly within Europe
- Fluent in German or French; good level of English

WE OFFER

- Independent work in an international, innovative, and friendly environment
- A structured onboarding program that helps you get to know your future role, our company and our industry step by step
- Flexible working hours
- Opportunities for personal and professional growth with regular training and development programs
- An attractive salary package with additional benefits
